

GATES & ENTRANCEWAYS

If you want to make a statement, our superb range of macrocarpa gates and entranceways will do the trick. Choose from one of our standard designs or get a quote to design a bespoke entranceway. Talk to our team for more information and to see some examples of prominent Otago businesses we've helped.

Our experienced and friendly team are on hand to talk to you about your fencing needs. They'll help you make the best choice quickly and cost effectively.

ALPINE FENCING
NATURE'S BEAUTY ENGINEERED FOR YOU

Add value to your investment and get your property noticed with macrocarpa post and rail fencing that is:

EXCEPTIONAL QUALITY

NATURALLY BEAUTIFUL

**PRECISION-CUT FOR
A BETTER FIT &
DURABILITY**

FARM FENCING & PRACTICAL URBAN FENCING

Our farm fencing, rabbit proofing and urban wire mesh is trusted by many NZ farmers and families to protect stock, land, pets and young ones. Several very large government land tenure projects have also benefited from our experience. Talk to our team about how we can help.

FIND OUT MORE
www.alpinefencing.co.nz

At Alpine Fencing, we specialise in supplying you with high quality, precision engineered macrocarpa post and rail fencing that enhances your property. We have over a decade's experience of helping families, businesses, developers and farmers choose the best fencing option for their needs. We can do the same for you.

POST & RAIL

If you've got a lifestyle or residential block or business, our beautiful macrocarpa post and rail fences offer sophistication and elegance, naturally.

We precision cut each element of your new fence using the latest in CNC technology to ensure the best fit and finish, every time.

Our project management team is on hand to help with design, selection and planning, while our installation team takes the stress out of erecting your new fence.* If you are experienced in DIY, our fences are a joy to install! We can ship kit-sets on request – get in touch for more info.

*Our installation teams are currently only based in Central Otago, but if you require assistance in a different region, we may be able to recommend a trusted contractor to help.

POST & RAIL SIZING

Below is an overview of the standard post and rail sizes we currently offer. Different combinations in height and number of rails can be produced by combining these. All our fences can be shipped New Zealand-wide and custom sizing can be quoted for if required.

STANDARD POST SIZES

300mm x 300mm

200mm x 200mm

150mm x 150mm

STANDARD RAIL SIZES

200mm x 75mm

150mm x 75mm

150mm x 50mm

ALL STANDARD FENCES ARE DOUBLE-DIPPED IN MULSEAL FOR WATERPROOFING & STAND AT A HEIGHT OF 1.2m WITH A SOLID 600mm IN THE GROUND
